Shower tray trimming
For situations where the architectural properties of bathrooms, especially in the renovation of older buildings, do not allow the installation of classic shower trays from the regular program, we provide our customers with the opportunity of adapting certain shower trays to their specific requirements. For further information on the models and options, please visit our website **www.kolpasan.si**

Zuschneiden der Duschwanne
Für Fälle, in denen die architektonischen Gegebenheiten von Badezimmern, insbesondere bei der Sanierung älterer Gebäude, den Einbau klassischer Duschwannen aus dem Standardprogramm nicht zulassen, bieten wir unseren Kunden individuell anpassbare Duschwannenlösungen. Für mehr Informationen zu Modellen und Optionen besuchen Sie unsere Website **www.kolpasan.si**

Zuhanytálca formájának átalakítása
Különösen régebbi épületek felújításakor előfordulhat, hogy a fürdőszoba építészeti adottságai nem teszik lehetővé a hagyományos zuhanytálcák beépítését. Ilyen esetekben bizonyos modelljeink formáját ügyfeleink egyedi igényeihez és a rendelkezésre álló tér adottságaihoz tudjuk igazítani.
A választható modellekről és az átalakítási lehetőségekről további információkat talál weboldalunkon: **www.kolpasan.si**

Decuparea căzii de duș
Pentru situațiile în care caracteristicile arhitecturale ale băilor, în special la renovarea clădirilor vechi, nu permit instalarea căzilor de duș clasice din programul nostru standard, le oferim clienților posibilitatea de a adapta anumite căzi de duș cerințelor lor specifice. Pentru informații suplimentare despre modele și opțiuni, vizitați site-ul nostru **www.kolpasan.si**
